

Rental Package Booth

To make it convenient to exhibit, package booth plans are available for exhibitors.

All materials and appliances included in the rental packaged booth must be returned after the Show.

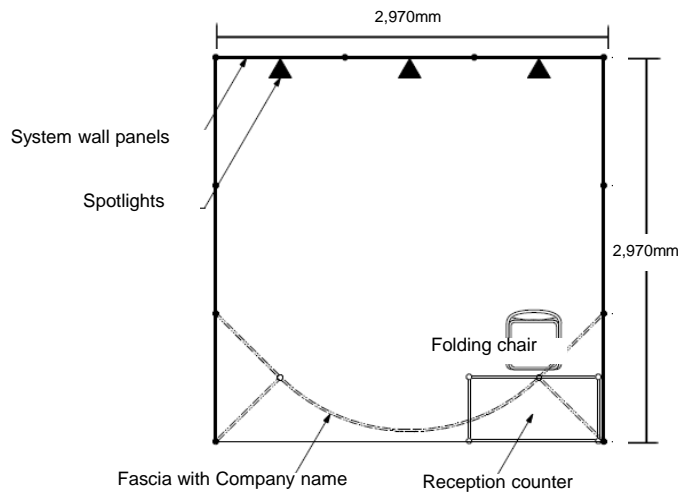

Please do not remove or damage any part of the packaged booth. Exhibitors may not use any nails, rivets, strong adhesive tape or other fixing material which could damage the surface of the panels. If any part of the packaged booth is damaged, the Organizer will charge the Exhibitor the costs for any repairs necessary.
