# **Notice of cancellation of The 56th JAPAN DIY HOMECENTER SHOW 2020**

The JAPAN DIY HOMECENTER SHOW 2020, which was scheduled to be held on November 5 (Thursday), November 6 (Friday) and November 7 (Saturday) of 2020, has been canceled due to a spread of the COVID-19 and the lack of control.

The situation has calmed down as a result of the measures against the virus and the request for voluntary restraint in business and daily activities issued by the government in April this year. But the infection is spreading again after the self-restraint request was lifted. The show's executive committee decided to cancel the show because of health and safety concerns for all those involved in the show, including exhibitor personnel, visitors and management staff.

We would like to express our sincere gratitude to the companies that applied to exhibit at the JAPAN DIY HOMECENTER SHOW 2020 despite the uncertainty of the COVID-19 infection. We apologize for not being able to meet the expectations of the people who have been waiting for the exhibition. We hope that the coronavirus outbreak will be brought under control as soon as possible and that everyone will be safe and healthy.

The exhibitors who applied to participate in the JAPAN DIY HOMECENTER SHOW 2020 have been notified that the show was cancelled and that the exhibition fees paid for the booths will be fully refunded.

The next JAPAN DIY HOMECENTER SHOW 2021 will be held in October 2021 at Makuhari Messe International Exhibition Hall in Chiba Prefecture because the Tokyo Olympics and Paralympics, which were scheduled to be held from July to September 2020, was postponed to July — September 2021.
